

Jimmy F. New Foundation Grant Request Form

The mission of the Jimmy F. New Foundation is to provide resources to increase the knowledge, awareness, and conservation of our native habitats and natural communities.

The foundation is a 501c3 non-profit foundation.

Our foundation board meets quarterly to consider funding requests. Our area of focus is prioritized to the Great Lakes region. If you are interested in having a project considered for funding, please complete the following and submit via e-mail to info@jfnfoundation.org. If funded we request before, during and after photos.
